2nd International Workshop on Digital and Intelligence Systems Engineering (WDISE'25)

IEEE Xplore®
Digital Library

Jointly organized with CommNet'25

Technically co-Sponsored by IEEE ComSoc (Pending). IEEE Conference Record Number: 68224

Scope

Continuing with the outstanding success of WDISE 2024 we are proud to present WDISE 2025 (International Workshop on Digital and Intelligence Systems Engineering) jointly organized with CommNet'25 (The 8th International Conference on Advanced Communication Technologies and Networking). The conference aims to bring together scholars from different backgrounds to emphasize dissemination of ongoing research broadly in the fields of AI, Data science, IOT, Privacy and networking, and Telecom. The workshop will include a peer-reviewed program of technical sessions, special sessions, tutorials and demonstration sessions. The workshop proceedings will be published by IEEE Xplore DL, Scopus, Web of Science and other databases.
